

TPL EXPERTISE

Providing inspiration and leadership to drive evolution in supply chains

Since 1970, clients from a variety of industry sectors have been turning to **TPL LOGISTICS MANAGEMENT** for our expertise, resources, information and... inspiration.

We are a UK based multi-discipline supply chain consultancy group able to operate internationally wherever our clients need us. We have a long track record of working with clients to make improvements in their supply chain that address entrenched issues and deliver real value.

We draw on our consulting and management development expertise, our top level recruitment and specialist resourcing services, as well as on the unique strength of **TPL MANDI**, to help clients achieve their objectives. For instance, to:

- Manage complex supply chain projects
- Improve service and cost efficiency
- Lead consumer focused supply chain improvements and directional initiatives
- Deploy personal skills and corporate strengths to deliver strategic changes.

As part of the evolution of **TPL LOGISTICS MANAGEMENT**, the breadth and depth of the expertise we are able to offer is now enhanced by the current development of our **TPL Strategic Alliances Group**, whose membership is designed to enable us to respond even more specifically to the evolving needs of our market.

TPL LOGISTICS MANAGEMENT's vision of successful supply chain evolution demands collaboration between all parties involved in the supply chain process... starting internally.

If you think your business might benefit from our expertise, or if you have a business with expertise that could add value to our offering, I invite you to contact me on 01252 737939 or through expertise@tpl-logistics-management.co.uk .
